3. SCOPE OF THE PERSONAL DATA PROCESSING

In connection with sending the scholarship, we will process the personal data categories listed in Annex 1 of this Statement.

Regarding the health care data we need this document exclusively for the purposes of the application procedure. It should be about general health condition and that the applicant has no infectious disease.

After the admission procedure has been completed, the Data Controller preserves the health data in accordance with the provisions of the General Data Protection Regulation (Regulation (EU) 2016/679 of the European Parliament and of the Council, hereinafter: GDPR). In accordance with § 80, paragraph (2c) of Chapter XXI of the Act CCIV of 2011 on National Higher Education (hereinafter: ANHE), in order for the Applicant or Scholarship Holder to be able to participate in the application procedure and win the scholarship, the Data Controller processes their personal data necessary to carry out the medical fitness examination from the time of submission of the application until the termination of the scholarship holder's scholarship status and until the termination of the selection procedure in the case of Applicants who did not win the scholarship. According to the ANHE, the Data Controller, the higher education or other training institutions participating in the implementation of the Program (hereinafter: Higher Education Institutions), as well as the professional supervisory body responsible

for the operation of the Program may mutually transmit to each other the data of the Applicant or Scholarship Holder that is specified in this point.

After the admission procedure, it is kept for 10 years together with all the relevant personal data according to the provisions of the general data protection rules.

In case you have indicated on the application form that you are also interested in self-financed studies, your personal data will be processed for the purpose of sending you information about self-financed study opportunities.

If any modification or change occurs in the data processing period of the data handled by the Data Controller, please notify us immediately of the above availability – at stipendiumhungaricum@tpf.hu

4. THE LEGAL BASIS, OBJECTIVE AND METHOD OF DATA PROCESSING

4.1 Data processing during the application process

The data processing is necessary for the performance of a task carried out by the Data Controller in the public interest and in the interests of Hungarian vocational training, education, research and development, as set out in Article 6 (1) (e) of the GDPR.

With regards to data related to the health status of the Applicant (see Art. 3.), the management of the data is based on the explicit consent of the Applicant (GDPR Art 9. (2) a).

The data process lasts until the evaluation of your application. In case your application is successful, for the further data process see 4.2. In case your application is not chosen for Stipendium Hungaricum scholarship, your data is processed exclusively for the purpose of data storage and research, in the framework of the legal duties of the Data Controller. In this case, your data is stored for 10 years after the application process.

- 4.1.2. The primary purpose of data processing is to evaluate, and process your application. Furthermore your data may be used for research purposes anonymously. In case you do receive a positive decision on your application, your data is going to be stored for 10 years as Tempus Public Foundation has to keep according to its funding agreements. In case you would receive a positive decision on your application paragraph 4.2 applies.
- 4.2 Data processing of Stipendium Hungaricum Scholarship Holders
- 4.2.1 The data processing is necessary for the performance of a task carried out by the Data Controller in the public interest and in the interests of Hungarian vocational training, education, research and development, as set out in Article 6 (1) (e) of the GDPR.

During the application procedure the data controller is using all relevant personal data for the different phases of the application: submitting application, forwarding the application to the higher education institutes for admission exams, notification on the result of the admission and visa procedure. After the decision on granting a scholarship to a student, the data controller is keeping the data of the student for reports to the relevant governmental bodies and health care providers responsible for medical screenings. After the termination of the scholarship status, the data controller keeps the data

only for a record, follow up and alumni purposes. For the alumni purposes the Privacy Policy can be found on the following link: https://alumninetworkhungary.hu/terms-conditions-and-privacy-policy

- 4.2.2. The purpose of data processing is to realize your scholarship. The data controller uses the data you have provided for this and research purposes. If your application receives positive decision your data will be preserved and used according to the scholarship programmes' rules and regulations. Your data will be kept until 10 years after end of scholarship holder status.
- 4.3. Data processing for the purpose of providing information about self-financed study opportunities
- 4.3.1. The data processing is necessary for the performance of a task carried out by the Data Controller in the public interest and in the interests of Hungarian vocational training, education, research and development, as set out in Article 6 (1) (e) of the GDPR.
- 4.4 Data processing for the purposes of the Stipendium Hungaricum newsletter
- 4.4.1. The data processing is necessary for the performance of a task carried out by the Data Controller in the public interest and in the interests of Hungarian vocational training, education, research and development, as set out in Article 6 (1) (e) of the GDPR.
- 4.4.2. The purpose of data processing in the newsletter is to give information on any modification of the Stipendium Hungaricum rules and regulations; on any changes of management of the scholarship programme; and also on events and novelties of the scholarship programme.
- 4.5. The data controller may not use or use the provided personal data for purposes other than those set out in these points.
- 4.6. The data controller does not verify the personal information you provide. The authenticity of the data given is your sole responsibility. When submitting your e-mail address, you also assume liability for being the sole user of the e-mail address provided. With respect to this liability, any entry from an e-mail address will be attributed solely to you to as the person who registered the e-mail address.

5. THE DURATION OF DATA MANAGEMENT

The duration of the data processing is 10 years counted from submitting the final report to the entitled Higher Education Institution in case of successful applications, and 5 years counted from the evaluation of the application in case of non-successful applications, and 3 years counted from end of the apply term by the non-finalized applications. In contrast to the aforementioned, data processing shall proceed until the data subject has effectively objected to the processing. As per point 3.2., in the case of Scholarship Holders the handling of personal data related to the medical fitness examination lasts until the termination of the scholarship status, and until the termination of the selection procedure in the case of Applicants who did not win the scholarship. The duration of the data management regarding the newsletter lasts until the end of your scholarship status, which is defined by the report of the Higher Education Institution on the termination of the legal student status at the end of each semester. Higher Educational Institutions provide data on 30 October and 15 March each year.
