I agree and understand that my data is collected, processed and used for purposes of checking the eligibility for participation in the programme; conducting medical screenings, follow up, reporting and financial monitoring; the preparation of statistics, informational materials, surveys and research. My personal data can be stored and handled for 10 years.

I agree and understand that my Data can be handled by the relevant employees of the Tempus Public Foundation and the higher education institution, participants of the reporting and monitoring processes; authorities responsible for supervision and inspection; health care providers responsible for medical screenings and anonymous experts and researchers analysing the implementation and the impact of the programme. All safety measures shall be done in order to ensure data protection with special regard against unauthorized access, modification, forwarding, publication, deletion or destroy, as well as incidental destruction and damage.

I agree and understand that once I am a Scholarship Holder I will be required to **sign a scholarship contract** with the Host Institution.

I agree and understand that a scholarship contract can be concluded with a person who meets the Hungarian sports medical eligibility requirements.

I agree and understand that the scholarship holder shall maintain their competition licence for the duration of the scholarship contract at the host sports organisation issued by a Hungarian national sports federation or by the sports association.

I agree and understand that during the period of their student status, the scholarship holder shall assist the development of Hungarian sport as a competitor, and shall participate as an amateur or professional athlete in competitions or competition systems organised or authorised by the relevant sports federation.

I also understand that the benefits of the Stipendium Hungaricum Sports Scholarship Programme contribute to the living costs of the Scholarship Holder only, therefore - within the framework of the programme - visa-related assistance, additional allowance and administrative services are not provided for any accompanying people or family members. The legal entity of the scholarship contract is exclusively the Scholarship Holder and the Host Institution.

I agree and understand that the scholarship holder undertakes to enter into a **separate contract** with the host sports organization.

I agree and understand that the international sports federation or the Hungarian national sports federation may conclude a separate contract with the scholarship holder.

I agree and understand that once I am a Scholarship Holder, I will be expected to **follow the regulations of the Host Institution** and continue my studies in good faith, to the best of my abilities, in order to meet the academic requirements of the study programme and thus finish the programme successfully. If I am selected to be Scholarship Holder, I agree to participate in the alumni system of the programme that supports the maintenance of relationships with the Scholarship Holders and facilitates the flow of information – such as the alumni website, alumni events and surveys about the satisfaction of students, career monitoring and the evaluation of research activities.

I agree and understand that unless the applicable regulations of the institution contain stricter provisions, the scholarship holder shall comply with their obligations of academic advancement set out in the studies and exams code and the curriculum by earning at least 18 credits in each of the last two (continuous) semesters with an active student status, otherwise their scholarship status shall be terminated (minimum credit requirement). Not applicable for students studying in doctoral programmes, non-degree programmes and taking part in partial study mode.

I agree and understand that in the first year of my studies, I shall be required to attend the course of „Hungarian as foreign language” offered by the host university, and to take an exam at the end of the second semester (except scholarship holders studying in Hungarian language), with the provision that the failure to participate or fail to take the exam cannot be sanctioned.

I agree and understand that the scholarship holder undertakes to represent the host higher education institution in the Hungarian University Sports Federation (MEFS) championship or Hungarian University – College National Championships (MEFOB) and to fulfil the obligations imposed by the professional sports organisation, such as participation in training sessions, competitions and other official events.

The scholarship holder undertakes to certify the fulfilment of their sports obligations towards the host higher education institution every month with the document issued by the host sports organization.

I agree and understand that once I am a scholarship holder, I am **obliged to live and study in Hungary**, therefore I am not allowed to live habitually in any other country during the study period – otherwise my scholarship holder status will be terminated. I agree and understand that I shall register in person at the international office of my host institution at the beginning of each semester.

I agree and understand that trips related to an athlete's career (competitions, training camps, medical treatment, rehabilitation, etc.) are automatically permitted by the higher education institution – based on the certification of the host sports organization. Absences must not cause a breach of academic obligations and will not result in the withdrawal of a scholarship.

I agree and understand that I shall not be entitled to use financial support for getting enrolled in full time or partial (exchange) study programmes outside Hungary (e.g. Erasmus +, CEEPUS, Campus Mundi) and that I will be entitled only to participate at conferences or research activities that are professionally relevant for my

studies. These activities – except for scholarship holders studying on doctoral programmes – should not exceed 14 days – or in any way affect me in habitually living in Hungary.

I agree and understand that applicants are also not eligible to receive the Stipendium Hungaricum Sport scholarship in case they have another **concurrent scholarship from the Hungarian central budget** for studies in Hungary. In case that I am awarded more than one scholarship, I shall choose one of the scholarships and renounce from the other ones.

- automatically with the termination of the athlete contract,
- in other cases described in the Operational Regulations of the programme in effect.

I agree and understand that in case I will be awarded by a scholarship within the framework of the Stipendium Hungaricum Sports Scholarship Programme, and following the acceptance of the scholarship I do not travel to

Hungary and start my studies, nor do I notify Tempus Public Foundation of this fact, I will not be eligible to reapply for the Stipendium Hungaricum Sports Scholarship Programme within three years from being awarded.
