

STATEMENT FOR APPLICATION

for bachelor's, master's, one-tier master's, doctoral study programmes, postgraduate specialist training courses and other non-degree programmes

By signing this document, I agree to the following:

I agree and understand that Tempus Public Foundation, the organisation that awards the Stipendium Hungaricum Sports scholarships, the Ministry of Foreign Affairs and Trade, the national and international sports federations, and the higher education institutions that I applied to may collect and use **my personal data** submitted as part of the application and enrolment process.

I agree and understand that my data are collected, processed, and used to check eligibility for participation in the programme, conduct medical screenings, follow-up, reporting and financial monitoring, and prepare statistics, informational materials, surveys, and research. My personal data can be stored and handled for 10 years.

I agree and understand that my data can be handled by the relevant employees of the Tempus Public Foundation and the higher education institution, participants of the reporting and monitoring processes, authorities responsible for supervision and inspection; health care providers responsible for medical screenings, and anonymous experts and researchers analysing the implementation and the impact of the programme. All safety measures shall be taken to ensure data protection with special regard against unauthorised access, modification, forwarding, publication, deletion or destruction, as well as incidental destruction and damage.

I agree and understand that, as a precondition for becoming a Scholarship Holder, I will be required to **sign a scholarship contract** with the Host Institution.

I agree and understand that a scholarship contract can only be concluded with a person who meets the Hungarian sports medical eligibility requirements.

I agree and understand that the scholarship holder shall maintain their competition licence – issued by a Hungarian national sports federation or the sports association – for the duration of the scholarship contract at the host sports organisation.

I agree and understand that during their student status, the scholarship holder shall contribute to developing Hungarian sport as a competitor and participate as an amateur or professional athlete in competitions or competition systems organised or authorised by the relevant sports federation.

I also understand that the Stipendium Hungaricum Sports Scholarship contributes to the living costs of the Scholarship Holder only; therefore – within the programme's framework – visa-related assistance, additional allowance and administrative services are not provided for any accompanying people or family members. The scholarship contract is concluded exclusively between the Scholarship Holder and the Host Institution.

I agree and understand that the scholarship holder must enter into a **separate contract** with the host sports organisation.

I agree and understand that the international or Hungarian national sports federations may conclude a separate contract with the scholarship holder.

I agree and understand that once I am a Scholarship Holder, I will be expected to **follow the regulations of the Host Institution** and continue my studies in good faith, to the best of my abilities, to meet the academic requirements of the study programme and thus finish the programme successfully. If I am selected to be a Scholarship Holder, I agree to participate in the alumni system of the programme that supports and facilitates the maintenance of relationships and the flow of information with former Scholarship Holders, including participation in the alumni website, alumni events, and surveys about the satisfaction of students, career monitoring and the evaluation of research activities.

I agree and understand that, unless the applicable regulations of the institution contain stricter provisions, the scholarship holder shall comply with their obligations of academic advancement set out in the studies and exams code and the curriculum by earning at least 36 credits in the last two (continuous) semesters with active student status; otherwise their scholarship status shall be terminated (minimum credit requirement). This requirement does not apply to students studying in doctoral and non-degree programmes.

I agree and understand that in the first year of my studies I shall be required to attend the course "Hungarian as a foreign language" offered by the host university and to take an exam at the end of the second semester (except scholarship holders studying in Hungarian language).

I agree and understand that I shall represent the host higher education institution in the Hungarian University Sports Federation (MEFS) championship or the Hungarian National Championship for University and College Students (MEFOB) and fulfil the obligations imposed by the professional sports organisation, such as participation in training sessions, competitions, and other official events.

The scholarship holder undertakes to certify the fulfilment of their sports obligations towards the host higher education institution every month with the document issued by the host sports organisation.

I agree and understand that once I am a scholarship holder, I am **obliged to live and study in Hungary**. Therefore, I am not allowed to live habitually in any other country during the study period – otherwise, my scholarship holder status will be terminated. I agree and understand that I shall register in person at the international office of my host institution at the beginning of each semester.

I agree and understand that trips related to an athlete's career (competitions, training camps, medical treatment, rehabilitation, etc.) are automatically permitted by the higher education institution based on the certificates issued by the host sports organisation. Absences must not cause a breach of academic obligations and will not result in the withdrawal of a scholarship.

I agree and understand that I shall not be entitled to use financial support for enrolling in full-time or partial (exchange) study programmes outside Hungary (e.g. Erasmus +, CEEPUS, Campus Mundi) for more than 30 days and that I will be entitled only to participate at conferences or research activities that are professionally

relevant for my studies. These activities should not exceed 30 days but can also be supported within the framework of other scholarship programs (e.g. Erasmus +, CEEPUS).

I agree and understand that applicants are also not eligible to receive the Stipendium Hungaricum Sports Scholarship if they have another **concurrent scholarship from the Hungarian central budget** for studies in Hungary. If I am awarded more than one scholarship, I shall choose one of the scholarships and renounce from the others.

I agree and understand that, **under the Operational Regulations of the programme, my scholarship status shall be terminated if**

- the Host Institution terminates the student status of the scholarship holder,
- the athlete contract is terminated, or the scholarship holder withdraws from the scholarship in a written form (sent to both Tempus Public Foundation and the Host Institution),
- the scholarship holder has obtained their degree at the study programme supported by the scholarship,
- the scholarship holder does not live in Hungary habitually, and the Host Institution terminates their scholarship status for this reason,
- the scholarship holder receives Hungarian citizenship (including dual citizenship), granted a refugee status ("menekült"), temporary protection ("menekültes"), or admitted for subsidiary protection ("oltalmazott") or granted temporary protection ("befogadott"),
- as a result of institutional disciplinary or criminal proceedings against the scholarship holder, the scholarship holder is expelled, and, for this reason, the Public Foundation asks the host institution to terminate the scholarship status,
- the scholarship holder does not fulfil their obligation to participate in medical screenings or provides false information during the application period or their scholarship period,
- after the initiative of Tempus Public Foundation if the scholarship holder:
 - fails to comply with the terms and conditions of the scholarship contract, with the coaching instructions for training and competitions, or with any other sports-related obligations,
 - is unable to comply with the sports-related requirements for more than 3 months for health reasons, based on a sports doctor's opinion, although he/she will be entitled to finish the academic year started as a scholarship holder (the scholarship holder status will be restored if the student is considered medically fit to resume his/her sporting activity at the start of the new academic year),
- in other cases described in the applicable Operational Regulations of the programme.

I agree and understand that in case I am awarded the Stipendium Hungaricum Sports Scholarship and following the acceptance of the scholarship I do not travel to Hungary and start my studies, nor do I notify Tempus Public Foundation by 30 September at the latest of this fact, I will be banned from reapplying for the Stipendium Hungaricum Sports Scholarship for three years from being awarded.

I agree and understand that applicants who are awarded the scholarship cannot get a scholarship holder status if they

- withdraw from the scholarship in a written form (sent to both Tempus Public Foundation and the Host Institution) or in the application system,
- do not submit their missing application documents by the deadline given in the Call for Applications,
- do not arrive and enrol by the registration date specified by the Host Institution (except in cases described in the Operational Regulations),
- do not meet the Hungarian sports medical eligibility requirements,
- do not hold a secondary school graduation certificate by 1 August 2024 at the latest.

I agree and understand that all scholarship holders are bound by the Operational Regulations of the Stipendium Hungaricum Sports Scholarship Programme.

I hereby confirm that I am not a Hungarian citizen.

I understand that the scholarship can be awarded to only those born before 1 September 2006 unless they apply for dance study programmes at bachelor level.

I confirm that I have read, understood, and agree to the content of this statement and the above procedures related to my participation in the Stipendium Hungaricum Sports Scholarship Programme.

I confirm that all information I provided as part of the application and enrolment process is, to the best of my knowledge, accurate and true. I also declare that all information I provided on the online application platform of Tempus Public Foundation – including the content of all uploaded documents – are true and correct to the best of my knowledge and belief. I am fully aware that false statements will disqualify me from the scholarship programme.
